Docket No. 02-00058

Dear Gentlemen;

As per my conversation yesterday, on 5/28/2002, I am asking the TRA to modify its date requirements in this case. All correspondence that the court has ordered to be "Mail Dated by" is to be "Delivered/Received By" on the desks and in the hands of the parties involved.

CenturyTel's attorneys have had more than 2-months to prepare a response to my request for discovery. It appears that they are not intending to give me as much time as we had given them.

Thank you for your time and patience
